

## MAKE YOUR OWN EARTH HOUR ANIMATION

A lot of the wildlife we love, from snow leopards and polar bears to rhinos and elephants, are seriously threatened by the pressures we're putting on our planet. We want everyone to promise to change one thing in their everyday life that will help protect our planet. This could be a simple change, such as refusing plastic cutlery with takeaway food, or walk or cycle for short journeys instead of going in the car. Your promise might seem fairly small individually, but millions of people taking these actions together, will have a massive, powerful impact.

What you need

- Scrap paper
- A tablet or smartphone
- Download the apps 'Puppet Pals' or 'iMotion'
- **Craft materials**

If you don't have access to a tablet or smart phone, you can make a brilliant comic book style story board on paper.

## What to do

- Plan a short story or animation which explains what action you are going to take to make a change to your everyday life.
- Using craft materials you could make a set, props and characters. Find photos to help illustrate your idea.
- Make your animation using Puppet Pals or 3. iMotion or another app if you prefer.
- Finish your animation with the sentence 4. "My promise for the planet is....."

## A MILLION REASONS TO CELEBRATE EARTH HOUR!

Every year millions of people around the globe switch off their lights for one hour to show they care about our planet. But it's not just about one hour on Saturday 24 March 2018.

We're here to inspire you in the run-up to Earth Hour to take part, show your support, and help protect the planet.

We'll be sharing loads of creative ideas on cool crafts and amazing activities to help you plan your best Earth Hour yet.

You can share your animations and your Earth Hour promises with us by emailing us at **schools@wwf.org.uk** or **youth@** wwf.org.uk- or share on social media by using #EarthHourUK #PromiseForThePlanet@wwf\_uk.
