EARTH HOUR 

CHANGE ONE THING TO HELP OUR

MAKE A DIFFERENCE

We're facing some of the biggest environmental threats ever seen. From the pollution of our oceans to the devastation of our forests, the planet is in crisis. But there are simple, every day actions you can take to make a difference.

You could ditch plastic cutlery, become flexitarian, carry a reusable coffee cup or even switch to a green energy supplier. WWF's Earth Hour is the perfect time to promise to do your bit.

THERE ARE THREE SIMPLE STEPS:

1 Make your promise for the planet at

wwfscotland.org.uk/earthhour

2 Share your promise

3 Switch off your lights at
