What to do

1. Print this cute snow leopard door danger.
2. Carefully cut around the door hanger and the three snow leopard heads. You may need to ask an adult to help you.
3. Hang the snow leopard door hanger over the door knob by its long tail.
4. Using Blue Tac, stick the snow leopard face onto the snow leopard, where there is a space.
5. You can choose which face you like, to tell people how you are feeling; wide awake, sleepy or fast asleep!
