# GATHERING IDEAS

Our names

Today we went to

## SHAPED FOR SURVIVAL

1 Can you find the following shapes in nature?

☐ circle

☐ triangle

☐ spiral

☐ shaped like a trumpet

☐ shaped like a bowl

Other amazing shapes we discovered. Draw them here.

# ON A HUNT FOR TEXTURES

2

Can you see something that is:

☐ rough

☐ soft

☐ shiny

☐ crumbly

☐ hard

☐ wrinkled

☐ soggy

☐ prickly

# A RAINBOW OF COLOURS

3

How many different colours can you see?

red

yellow

orange

white

pink

purple

blue

# FUNCTIONS IN NATURE

4

Can you find something that:

☐ flies

☐ glides with the wind

☐ crawls

☐ opens and closes

☐ climbs

☐ produces bright colours

☐ runs

# SOUNDS WE CAN HEAR

---

5

bubbling water

rustling leaves

singing birds

blowing wind

creaking

buzzing bee

# OTHER AWESOME THINGS WE SAW

---

6

Draw them here.

## ACTIVITY 2 RESOURCE SHEET 2: WHAT ANIMALS AND PLANTS CAN DO

Making materials  
(e.g. spider's web,  
conker from horse  
chestnut tree)

Sticking to things  
(e.g. cocklebur)

Using the sun's  
energy (e.g. plants  
making food)

Recycling waste  
(e.g. beetles, fungi)

Building a home  
(e.g. bird's nest)

Flying (e.g. bird)

Moving (e.g. worm  
burrowing through  
the soil)

Climbing  
(e.g. squirrel)

Keeping warm  
(e.g. furry animal)

Ability to repair  
(e.g. tree trunk)

# THE LIFE CYCLE OF A MOBILE PHONE

# OUR DESIGN FOR THE FUTURE

## INSPIRED BY NATURE

A large, empty rectangular box with a blue border, intended for a drawing or design. It occupies the central portion of the page.

### THINK ABOUT:

What is it for?  
What is it made of?  
How is it powered?

OUR NAMES .....

# FARMING AS NATURE DOES
