

# GREEN AMBASSADORS 4 Youth

PLANTS and ANIMALS

## Start

## Get informed

Hello, I'm Leafy

Chilled out Leafy is our nature and environment expert. Leafy likes to question and think differently about things.

Wildlife rules

Expert Q&A\*\*

Who's at risk?

Who's at risk?\*

Minibeast bingo

Britain's butterflies\*\*

## Get involved

Wildlife spotter trip\*

Global threats twister\*

Make a bee hotel\*\*

Make a bird feeder\*\*

Make a wildflower garden\*\*

Seed bomb sortie

Make a bat box\*

Canal clean\*

Wildlife - camera, action!\*

Leafy says...

“One of the best ways we can help protect the natural world is by looking after as many habitats as possible. Help me by providing places that'll encourage a wide range of plants and animals to thrive locally.”

## You choose

We've flagged activities which we think are most suitable for older group members (10+) with a \* and those for all ages with \*\* but it's really up to you!

Simply complete five activities from a theme, including at least one from each stage – get informed, get involved, get sharing and your group will earn a badge.

If you complete three or more themes then your group will also receive a special Green Ambassadors 4 Youth VIP badge.

## Get sharing
