

# GREEN AMBASSADORS 4 Youth

## ENERGY Start

## Get informed

Hello, I'm Switch

Our energy expert Switch is smart and on the button. Switch knows a lot about technology and is a natural leader who always has a plan.

Switch says...

"We need energy for heat, light, transport, food and clean water. But burning fossil fuels like coal, gas and oil is a major cause of climate change, which threatens our planet. Help me tackle this problem by finding out how you can save energy"

## You choose

We've flagged activities which we think are most suitable for older group members (10+) with a \* and those for all ages with \*\* but it's really up to you!

Simply complete five activities from a theme, including at least one from each stage – get informed, get involved, get sharing – and your group will earn a badge.

If you complete three or more themes then your group will also receive a special Green Ambassadors 4 Youth VIP badge.
