HOW TO MAKE YOUR MASK

1

Colour in your animal mask. When you've finished making it look amazing, ask an adult to cut out the mask, eye holes and ribbon slot using the dotted line as a guide.

2

Ask an adult to help you measure and cut a piece of ribbon or string around your head – this is what you'll use to wear the mask.

3

Finally, knot the ribbon or string through the two side holes. Your mask is now ready for your party!
