

DAVID ATTENBOROUGH: A LIFE ON OUR PLANET SCREENING 2021

TERMS AND CONDITIONS

1. Screenings are hosted by WWF-UK and recording of screenings are forbidden.
2. Screenings are available to UK schools only and registration is required. Only teachers should register, and students or non-teachers who register will not be sent an on-boarding email. Teachers should share the on-boarding link only with their students, and only if they are learning from home because of Covid-19 rules and regulations.
3. You must not use Netflix's logos in any promotion for your participation in a screening, or indicate or imply that the screening is "official" or endorsed by Netflix, Sir David Attenborough, or the film-makers (unless otherwise agreed explicitly in writing with WWF in advance).
4. The screenings are non-profit and non-commercial and there must be no payment or charge for admission.
5. If attendees want to donate to a charitable cause during the event, this is acceptable, but it needs to be clear that any donations are not associated with or endorsed by Netflix, Sir David Attenborough, or directly with the making of the film.
6. Schools should follow the advice and recommendations of their government and / or local authorities to deem whether gatherings of people are permitted, and appropriate, and they should always follow COVID-19 guidelines and any other applicable rules, regulations or guidelines.
