

FUNDRAISE

YOUR WAY!

LITTER PICK

A litter pick is a great way to fundraise in aid of WWF-UK. You get to spend time in nature, leave the world cleaner than before and raise money which'll help protect our planet.

What you need

- Strong, sturdy gloves (gardening gloves work well) and/or a litter picker
- Bin bags and a glass jar (e.g. a recycled jam jar) or small container

What you need to do

- Decide your litter pick location and make sure to get permission from the landowner to do a litter pick
- Choose a date and time for your litter pick
- Tell friends, family and colleagues about your litter pick and ask them to sponsor you. Setting up a JustGiving page is a quick and easy way to collect donations
- Get litter picking! Don't touch the litter with bare hands. For any sharp items, place them in your jar or container, so they don't pierce the bin bag
- Pay in your donations and take a well-deserved rest, having helped protect our natural world!

TOP TIP!

Set up a sweepstake and get people to guess how many bags of rubbish you'll collect. Ask loved ones to donate to enter and offer a prize to whoever is closest.
