

WEAR IT WILD DRESS CODE GUIDELINES

NOT SURE WHAT TO WEAR?

Taking part in Wear it Wild doesn't need to be stressful and we'd love you to repurpose clothes and accessories you already have to reduce consumption. Here are some ideas:

Animal Print

Always in fashion, wear a animal printed shirt, tie, dress or even socks!

Onesies

Do you have a elephant or tiger onesie you can wear?

Headgear

Maybe you can't change your entire outfit, but can you wear a hat, mask or animal ears?

Accessories

Get creative with your accessories, dig out any wildlife inspired accessories such as scarfs, earring, belts or bags.

Get Crafting

Repurpose old materials to make something wild! Could you make an animal mask or wings?

Dress Like a Panda

If you want to keep it simple, then dress like our logo and simply wear black and white.
